# K-12 Teacher Workshops

## PROFESSIONAL DEVELOPMENT

- **CRITICAL THINKING THROUGH MORAL REASONING**

Equip your students with the ability to identify ethical dilemmas, consider multiple perspectives, and form reasoned arguments.

- **STRATEGIES FOR FOSTERING CIVIL DIALOGUE**

Learn techniques to encourage thoughtful and productive dialogue in the classroom, even when students disagree.

- **NAVIGATING EDUCATIONAL DILEMMAS**

Explore one of today's pressing school challenges, from academic honesty to AI, with concrete strategies to engage students in critical inquiry.

- **GAMIFIED LEARNING**

Learn gamified approaches to critical inquiry, including "On the Other Hand," a card game developed by the Cincinnati Ethics Center.

### WHY CHOOSE OUR WORKSHOPS?

- ✓ Aligned with state standards
- ✓ Provide practical tools teachers can immediately implement in the classroom
- ✓ No cost to the district
- ✓ Receive on-going support post-workshop
- ✓ Customizable to any grade/subject matter

To book, contact Christina Baulch, Director of K-12 Educational Programs
